Journalist

Журнал «**Wireless Ukraine**» выпускается с 2009 года

Тематическая направленность журнала: информирование читателей о беспроводной и мобильной связи.

Журнал создан для того, чтобы помочь людям, принимающим решения в вопросах беспроводных технологий.

Особенно интересен руководителям IT-отделов, техническим директорам, владельцам телекоммуникационных компаний.

«Wireless Ukraine» выходит раз в квартал, освещая все значимые события на рынке телекоммуникаций.

Распространяется журнал по всем регионам Украины и странам СНГ, путем адресной рассылки.
